AMERICA'S EXTERIOR REMODELERSM

Improving Homes. Changing Lives.®

1500 SERIES

SLIDING AND SINGLE-HUNG REPLACEMENT WINDOWS

Available with an optional stucco protector mainframe.

Horizontal Sliding

- Sleek and contemporary 2-5/8" frame is available in White, Almond, or Desert Clay.
- Single sash glides horizontally and lifts out for easy cleaning.**
- All locking rails are metal reinforced for strength and durability.
- The standard sweep lock exceeds the toughest forced-entry standards.
- Double-pile weatherstripping at the locking rail helps increase thermal performance.
- Adjustable tandem brass rollers in a non-corrosive housing ensure that the window glides smoothly.
- Strong warranty protection for added peace of mind.*

Also Available In: Single-Hung

- Side load sash operates on two concealed, pre-calibrated sash balances.
- Integral lift handle for easy raising and lowering of the sash.
- Sash perimeters are fully weatherstripped for improved thermal protection.

Picture

- Clean-line design creates a larger viewing area.
- 1" insulated glass unit.
- Special shapes available.

Energy-Saving Glass Packages

For even greater energy savings, choose one of our SolarZone® insulated glass packages featuring Low-E glass, argon gas** and a warm-edge spacer system to customize your windows to best meet the needs of your home and climate zone. The lower the U-Factor, the less energy you'll need for heating your home. The lower the Solar Heat Gain Coefficient, the more you'll conserve on air-conditioning use.

Color Collection

Window World 1500 Series Windows are available in three popular solid extruded colors to complement a wide variety of home styles.

Grid Options

Accentuate your windows with interior grids in an elegant pattern. All grids are enclosed within the insulated glass unit for easy cleaning.

THERMAL PERFORMANCE COMPARISON ¹		
	U-FACTOR	SHGC
Clear Glass	0.47	0.61
SolarZone	0.31	0.34
SolarZone Elite	0.30	0.22
SolarZone SunShield	0.31	0.15

¹Whole window values are based on Model A272 with double-strength glass. Grids and HP performance values are also available.
